Pledge FAQ's

What is a pledge? – A pledge is *an estimate* of how much money you plan to give to FPCB in a given year. It is not a binding contract. Circumstances can change, we get it – and pledges may be revised up or down depending on your situation.

Why pledge? – Your pledge makes it possible for FPCB to create a budget for our staffing, ministries, programs and outreach for the coming year. Pledging is the primary basis for what we can accomplish as a church. Pledging is also a spiritual discipline that provides a tangible way for you to grow in your faith by sharing the resources God has blessed you with.

How much should I pledge? – Just as everyone has a different financial situation, the amount of your pledge is an individual decision and will be unique and reflect your own life situation and sense of commitment to the church. We are seeking pledges to meet our budget goal of \$1,500,000 for 2024. Pledges of any amount are welcome and necessary for our ministries. You can pledge to give weekly, monthly, quarterly, or yearly – whichever is most convenient to you.

How do I pledge? – Just follow the directions on the backside of this page. Pledge cards will be mailed out or are located in the sanctuary. Also, you can log in to FPCB Realm online. <https://onrealm.org/fpcbmont/>
